

STUDENT MEMBERSHIP APPLICATION 2018 – It's free!

Ag Institute Australia is the peak body representing the interests of Agricultural and Natural Resource Management professionals. It is committed to advancing the interests of its members and their application of rural science and technology for a sustainable future. Full membership is available to anyone who holds an appropriate tertiary qualification and has achieved professional status and a position of responsibility through practical work experience.

Student membership is available to anyone who is studying an undergraduate degree in agriculture or a related discipline (e.g. animal sciences, natural resource management).
